

Website Portfolio

Anufa A
UI/UX Designer

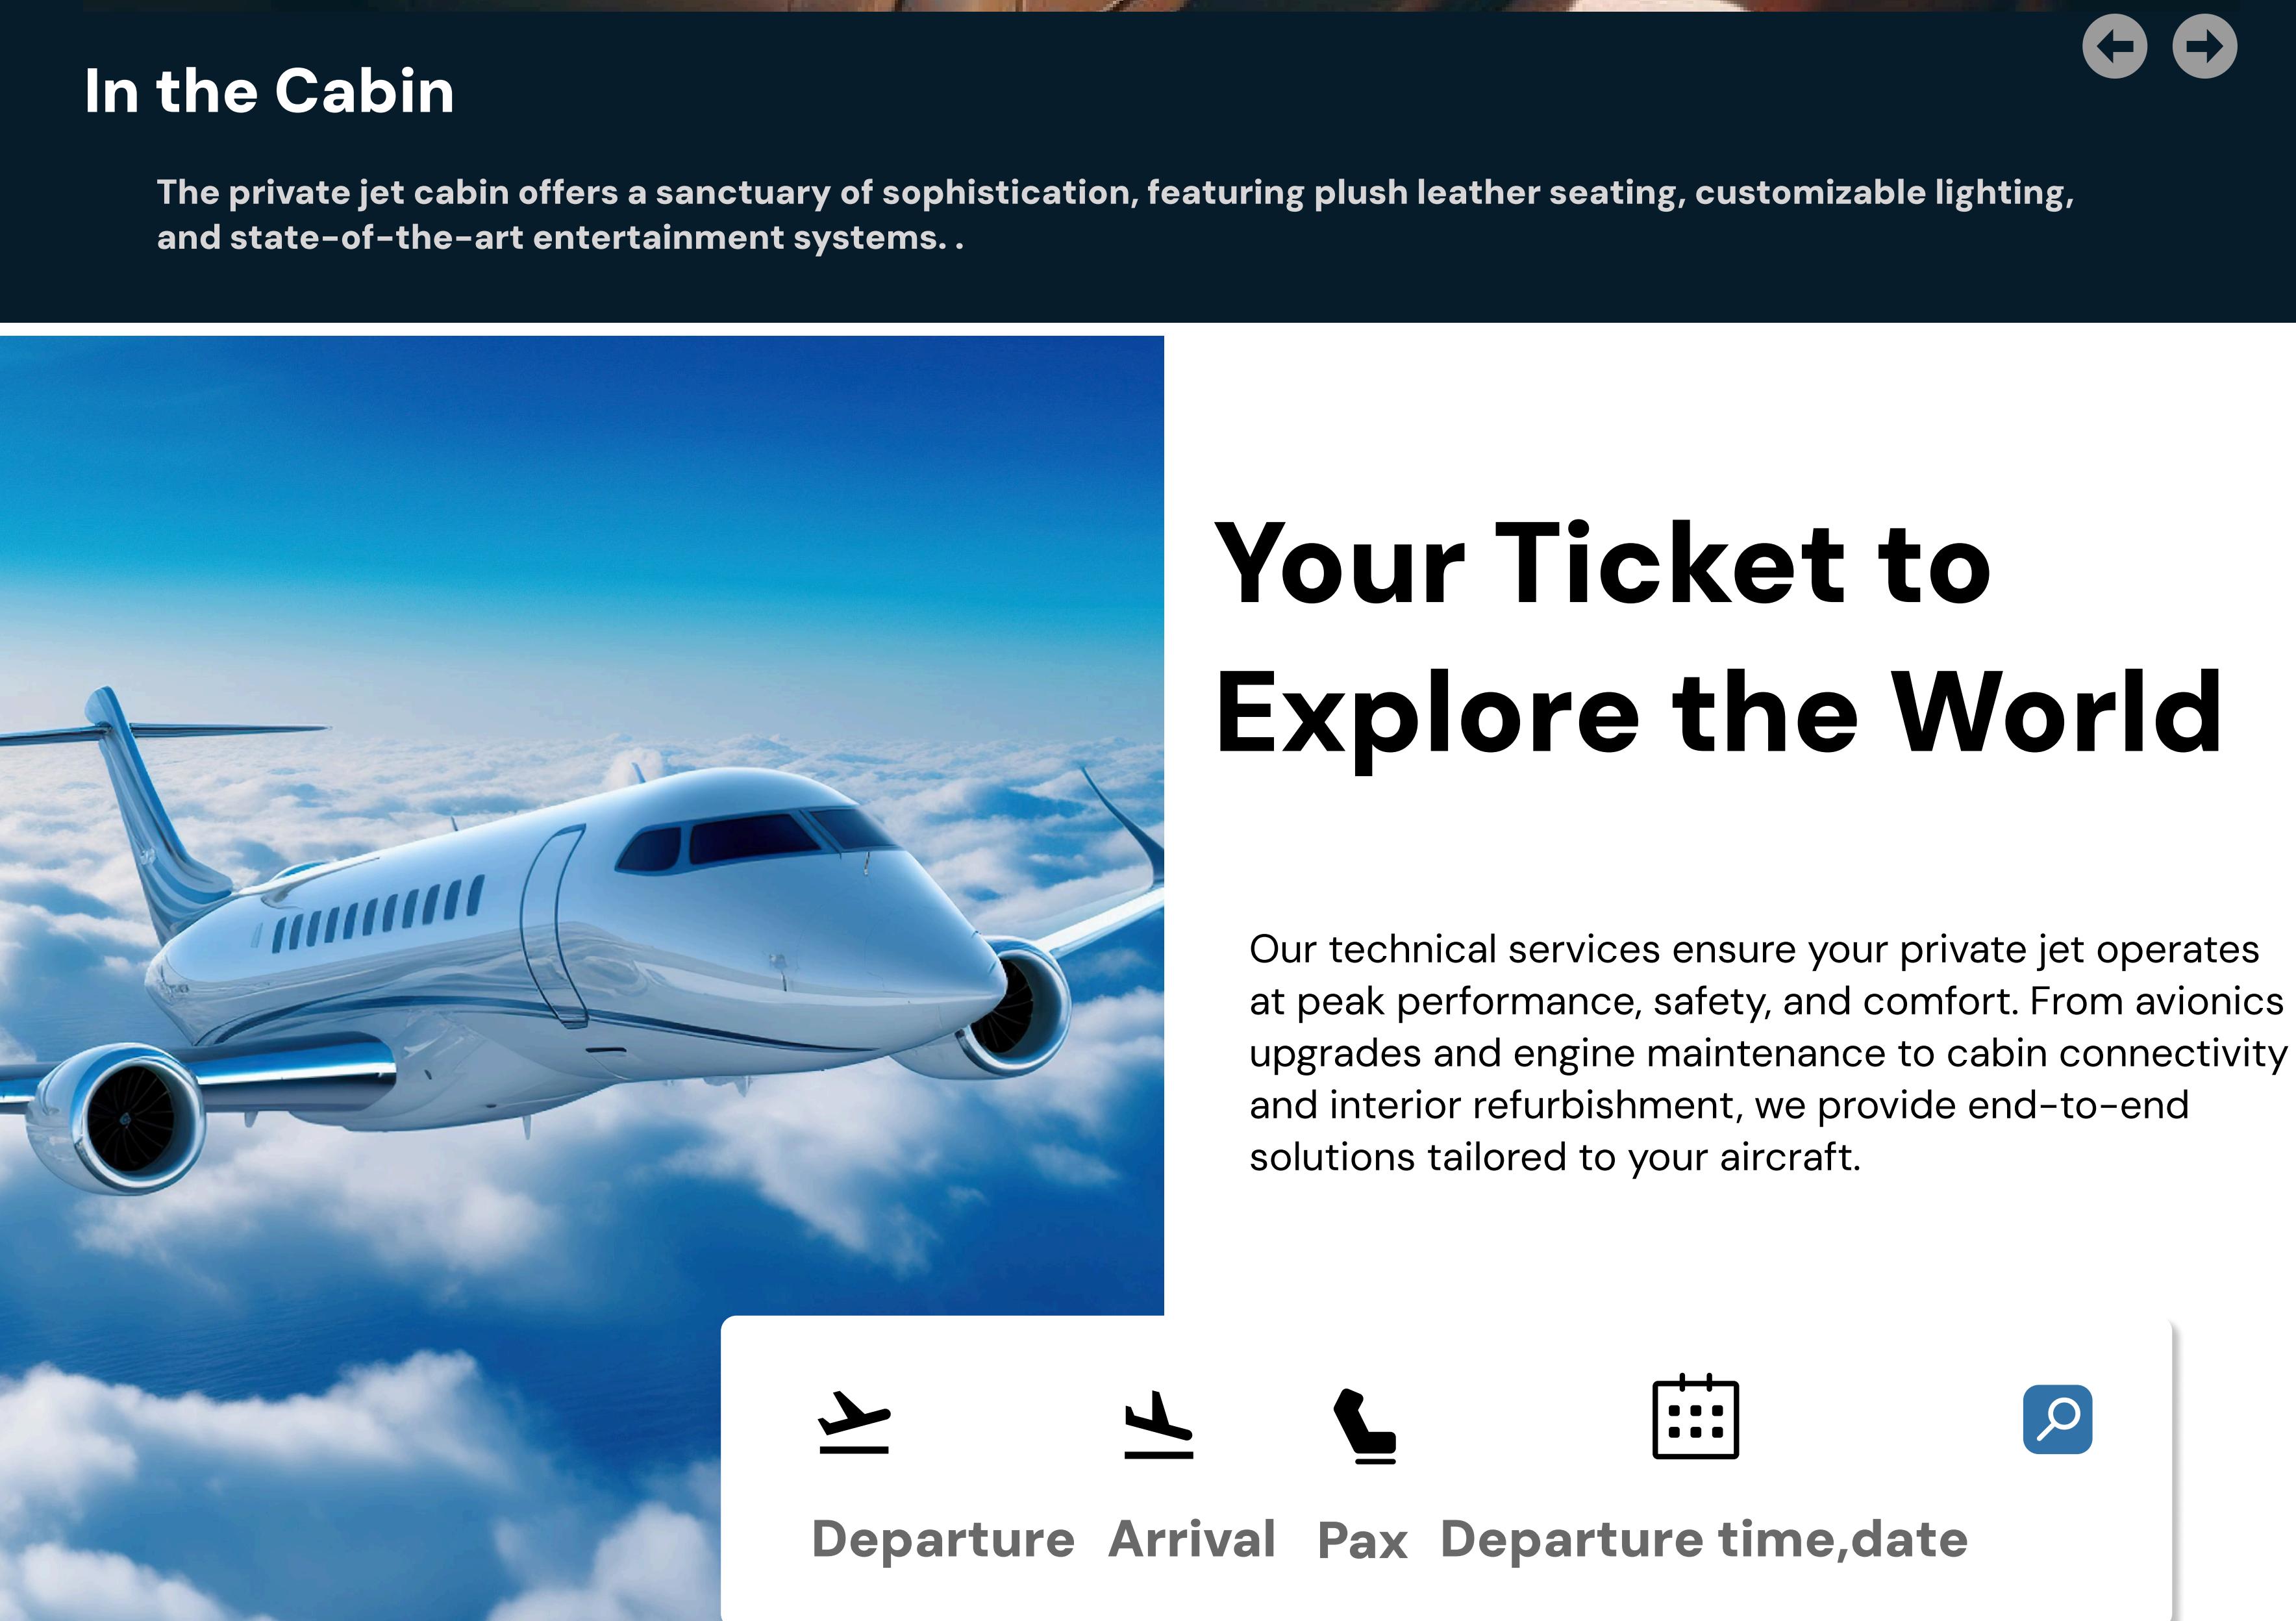

Project Overview

Designed a clean, user-friendly website for Jetly, a luxury private jet charter service. Focused on easy booking and promoting exclusive travel experiences.

Style Guide

High Fidelity

Fly in Style.
Arrive in Prestige.

In the Cabin

The private jet cabin offers a sanctuary of sophistication, featuring plush leather seating, customizable lighting, and state-of-the-art entertainment systems.

Feedbacks

There are many variations of passion. But the majority have arrived. Also the travel was too good. I loved the travel...

-John
